

# 2010 Liberty Mutual Golf Tournament

<http://www.pgatour.com/tournaments/s504/>

Fellow Outstanding Citizens of Savannah and the Propeller Club,

As you may or may not know (I think I send this out every year) I serve as the Disability Services Chairman for this golf tournament which runs April 19th thru 25th this year. Basically that means my group rides around in golf carts and takes people who have a hard time walking where they need to go.

As always, I am looking for some good folks to help me achieve this mission. In return for this service and paying a small fee, volunteers receive the following:

- Golf Shirt, Hat and Jacket
- Food on the days you work
- A round of golf at Savannah Harbor
- One tournament ticket good for the entire week
- A volunteer banquet after the tournament

If you have any interest please let me know. I have spots available for every day of the week and weekend and you could work as little as 2 days.

Again, thanks for reading and hope everyone had a great Holiday Season!

Nick
